

Phil's Family of Friends

Phil's Family of Friends—
our new Midweek program
brings faith and fellowship
together for children & youth,
age 3 years old–6th grade. Every
week we play games or make a
craft, learn about the Bible, make
music, and offer dinner (free will
donation) with friends. It's like
summer camp every week!

Why Spend Wednesday at Church?

Phil's Family of Friends complements your child's Sunday morning experience. Friendships that begin on Sundays can really take off on Wednesdays. The format allows each area of the program to be developed more fully! It allows time for additional faith opportunities and we play games that just wouldn't be tolerated on Sunday mornings.
