You Are Invited to Come to *Faith Village*!

Come along and experience our "Rotational Sunday School" for kids in grades 1st-5th. Travel to different learning centers and explore Bible stories in a variety of ways. Centers may include cooking, drama, art, science, video, Bible knowledge, puppetry, storytelling...just to name a few.

A **Shepherd** will take a specific age group under their care each week to walk beside & befriend as they travel on this faith journey.

Students will be immersed in a chosen Bible story for 4 weeks—experiencing a new learning center each week. Stories are reinforced each week in new and exciting ways.

Children all learn in new ways and have special gifts....the rotational method is ideal for sharing and reinforcing the Word of God!

Let Faith Village and our new Phil's Faithful Friends of Faith (Midweek Program) work hand in hand in your child's faith life.
